Scripps Epic Drop-In Clinic

Drop-in Clinics will be available at the Scripps Center for Learning and Innovation (CFLI) for students and Instructors to be able to complete their Epic eLearning modules.

Availability for computers will be on a first come, first serve basis, and the clinics will be self-directed.* The Epic eLearning modules will take approximately an hour or so to complete.

The Drop-in Clinics are located at 9619 Chesapeake Dr., San Diego, CA 92123 in the Suite 100 classroom. Please check in and out in Suite 105 by signing in and out on the sign in sheet.

Please see the attached Epic Clinic Calendar for available dates and times for drop-in clinics.

1. All students and instructors will need their Corporate ID and password to log onto the computers.
   a. This will also act as your Corporate ID activation, and you will be prompted to change your password if it currently is set as the default password.

2. Once you have logged onto the computer, then you will need to launch internet explorer, and log into your email.

3. Click on the Epic eLearning modules hyperlink that was emailed from Student Placements with your access.
   a. **Note for Instructors:** Please email your students the link to the Epic eLearning modules with the Epic Attestation form prior to attending the Epic Clinic. This will allow them to click on the link rather than having to type out the whole url for the modules.

4. This will take you to the links for the different Epic eLearning modules assigned to you to complete.

5. After you have completed all the Epic eLearning modules, you will need to complete and sign the Epic Attestation form.

6. Lastly, as you check out, you will need to place the Epic Attestation form in the basket to be collected at the end of the clinic so your access can be requested.

You will need to wear your student badge above the waist while on site. You will also need to bring a set of headphones with standard 3.5mm audio jack to listen to modules. No headphones will be provided/available for use.

No food is allowed in the computer classroom, and all drinks need to have a tight lid.

*There will be no one in the classroom to guide or assist in completing the eLearning modules as it is intended to be self-directed. Should you have any questions, please email StudentPlacements@ScrippsHealth.org or call at 858-435-7161.

If you have any trouble logging onto the computer, then please contact the Service Desk at 858-678-7500.
