

NETWORK ACCESS RELEASE OF LIABILITY WAIVER

As part of the [_____] agreement, your organization has requested remote access to the Scripps Health corporate network. Certain software requirements apply before remote access can be granted. Scripps Health makes no representations or warranties with respect to what effect, if any, such installation may have on the computers, devices or systems upon which that software is loaded. Consequently you agree that you will hold Scripps Health harmless from any claims, demands or causes of action (collectively "Liabilities") arising out the installation or use of any software necessary to facilitate secure access to Scripps' network. You further agree that you have taken all appropriate precautions and have been provided with all necessary technical information prior to accessing the Scripps Health network and downloading any required software to facilitate secure access.

Should your company's agreement with Scripps Health terminate, you agree, on behalf of your company, that all software that has been furnished by Scripps Health to access the Scripps Health network will be removed from your company's systems.
